VOLUNTEER NEEDED!!!

After many years of doing our club awards, Marilee Epperson is giving up the job and we desperately need someone to take on the responsibility. Marilee has been an anchor and has done such an excellent job for such a long time. The position involves collecting information and photographs for titles earned by the Basset Hounds of club members throughout the year. Photographs go into the albums and award plaques and customized plates are done up for each dog, typically announced and presented at our specialty dinner. A creative, artistic person would be ideal for this job. Please let Betty Gene know if you have an interest and would like to know more.

Happy Thanksgiving!!

So much to be thankful for – especially the beautiful creatures called Basset Hounds that we have in our care.

THANKSGIVING DOG BISCUITS

turkey

sweet potato

cranberry

carrots

oats and rice flour

One great thing about these are that they are really easy to make. I had a lot of fun making them to be honest. First thing you need to do, get all of your

ingredients together. All you need to do is brown the ground turkey and the sweet potato and carrots can easily be cooked in

the microwave. The remaining ingredients are pantry items. Sounds super simple right? That's because it is!

Once you have all of your ingredients together just mix it all up in a bowl, form it into a ball and place on a rice flour dusted surface and roll out like so...

Ready to be made into biscuits...

Then using your favorite cookie cutter (really any shape will work) cut out

the dog biscuits and place them on a parchment lined cookie sheet. Bake for about 25 minutes or until the edges start to become a light golden brown. Cool on wire racks. The amount of biscuits

you will get will depend on the size of your cookie cutter; I used a medium-sized bone shape and got around 25 biscuits. Just remember to let them cool completely before you give them to the Basset.

Fresh from the oven...

Carol

These Thanksgiving Dog Biscuits are healthy and have all the yummy Thanksgiving Day dinner ingredients.

Suki (Bristlecone's Sangria) and Mohani (Bristlecone's Mimosa) has a really nice run on a cottontail at the hunt test. Can't wait to get them into some fenced grounds.
