Waggin' Tales - January 2021 edition

Please join us for a zoom meeting this coming Sunday, January 24th, 1 p.m. MST. Instructions are in the email. It's easy, it's fun and always good to see everyone. Not a substitute for in person but the best we can do right now.

Big news is that 2 TD/TDX judges agreed to judge our tracking test so we are moving forward with the test on

March 7, Sunday. Judges are Cindy Soloway and Jane Jonas. We were fortunate to get them as many of the judges are not willing to venture out with COVID still being a concern. There are some restrictions and different procedures that we'll need to follow. A premium list is attached to the email. Exhibitors, spectators and workers are asked to bring their own drinks and food. The club will provide water. As always we can use help. Draw for TD is at 7:45 am, Chatfield State Park livery area; draw for TDX is 10:15 am, same location. Plotting day is Saturday March 6. Please contact Carol – 720-378-3027, bristleconeassets@yahoo.com – if you need more information.

The other big news is our all breed obedience/rally trial. The firm dates are May 28-29-30 at Boulder County Fairgrounds. Fairgrounds are closed through the end of March so our February dates had to cancel. Site has

been reserved and the AKC has been informed of the change. The plan is to have one large ring each day – Obedience and rally on Friday; Obedience only on Saturday and Rally only on Sunday. Ron Horn is judging rally and we're in the process of confirming the other 2 judges. We do have a secretary who lives in Utah and will either fly or drive in. Mats, jumps and ring standards have been reserved. The trials are a go. Mark your calendar and plan on attending. We're hoping for a great entry.

HAPPY NEW YEAR!!

Shady Sadie

Just a saggy-sad dumbfounded Basset Hound
 Got claimed at the doggone-it lost puppy pound
 Just hangin' out now and nosing around
 Waiting for my supper to get back from town
 Hooray! A dog's life for an ole' English lass

Can't hear very good, my rep's rather jaded
 Sprawl out by a tree where it's cooler and shaded
 Spread eagle, ya' know? Who cares, I been spaded
 (I just rolled in something bio-degraded)
 Ah so! A dog's life for an ole' English lass

My pack leaders walk on their hind-quarter parts
 Go figure how they mastered THAT get-around art
 I tried it once (No it weren't very smart)
 Threw out my back, God bless my British heart
 Sacre bleu! A dog's life for an ole' English lass

Ah ha! Do I hear the purring of a car?
 Door slamming, uh-oh, this is rather bizarre
 The big one is carrying that smelly little bar!
 C'est la...Wait! That's French
 (What a POODLE I are)
 Blimey! A dog's life for an ole' English Lass
