

The next regular meeting is next Sunday, August 14th, 1 pm at Red Lobster Restaurant, Northfield Shopping Center. Back to Red Lobster, much more pleasant place for a meeting. Please rsvp bristleconeassets@yahoo.com so we'll watch for you. Besides talking dogs, we'll be reviewing specialty details and making some long range plans.

THE PICNIC!!

It was fun! It was well attended by people and by Basset Hounds! It was also HOT and we need to figure out a way to start a little earlier in the day. Food was fantastic, Bassets were wonderful as always and interesting to see the different bloodlines. We even had one baby puppy. Lots of waves from people driving by. Here are some candid photos! If you missed it, you missed a good one. Maybe we can add some games next year.

The response to Mishka's request for donations toward our trophy fund has been heartwarming. Timberline thanks each and every one of you who contributed now and in the past to keep interest in this wonderful breed alive and well in the State of Colorado. Our trophy table will be beautiful this year and next.

Judge Nominations for 2023 Specialties:

Sweepstakes –

Dr. Lisa Costello – Lisa lives in Colorado Springs and is a breeder of Whippets. She is interested in getting licensed for Bassets, has attended seminars and has made an effort to learn about the attributes of the Basset Hound. Having her judge our sweeps would help her get licensed. She's a knowledgeable hound person who would do a good job for us.

Regular and non-regular classes –

Sandra Marquez Ovando - nominated by Ellen Ferguson, she is FCI approved, a Basset Hound breeder from Bolivia and judged a specialty in the US last year. She would do a great job for Timberline. Lives in Florida and replaced Ellen as president of Suncoast BHC. Per Ellen, she is affordable.

Joani Rush – Joani is a breeder from northern California and has never judged our specialty before. She and husband Jerry have a long history in Bassets under kennel name Pinedell and she has the experience and knowledge to do a good job for us.

Randy Fredericksen: He and wife Penny are from Texas and have bred and shown Bassets for over 30 years – Ambrican Basset Hounds. Randy recently got licensed to judge Bassets. He knows the breed very well, has authored books on Bassets Hounds, and would do a good job evaluating.

Claudia Orlandi and Guillermo Gonzalez are both licensed to judge Bassets and are breeders under kennel names Topsfield and Lebrera. Claudia headed up Basset Hound University for BHCA and has been active in both conformation and field for years. Guillermo runs a Basset pack in Spain and both spend time there as well as in Vermont.

Melody Fair: Melody is a club member and has not judged our specialty for a long time. She and husband Roy have had Fairhaven Bassets for many years and are active in several show and performance venues. Melody was instrumental in getting scent work competition established.

Nominations are open through August 30. Voting in September. Please send nominations to Carol at bristleconeassets@yahoo.com

APPLICATION FOR FULL MEMBERSHIP

Associate member Laura Bryant is applying for single membership to Timberline now that she is back in Colorado. Sponsors for associate were Jean Dietrich and Malina. Dorchak. Laura's new application will be voted on at the August meeting.
