FACEBOOK AND/OR NEWSLETTER?

Need your input please. Now that some people use Facebook for communicating quite a bit, and the club has a Facebook page, should Facebook be used as the club communication vehicle rather than the newsletter? Are you more likely to get club news from Facebook or from the Newsletter? Do we really need both? Is Waggin' Tales really needed? Please email Susan – Steinway_s@yahoo.com or Carol – bristlconeassets@yahoo.com with comments.

Thank you!
